| Purpose of the Report | <p>This report presents to Audit Committee the annual Senior Information Risk Owners (SIRO) report. This type of report is seen nationally as good practice to inform Board members of the information governance challenges and to satisfy regulatory requirements.</p> <p>The report provides an overview of the Information Governance agenda across the disciplines of Information Governance, Health Records and Clinical Coding, Data Quality and Cyber Security.</p> | | |
| Key Issues | <p>This is the second year that the report has been produced and demonstrates legislative and regulatory requirements relating to the handling, quality, availability and management of information, including compliance with the Data Protection Act (1998) (2018), preparation for General Data Protection Regulations (GDPR) and the Freedom of Information Act (2000). The report also meets the requirements of Welsh Government Ministerial letter on Data Quality reporting and Welsh Audit Office recommendations of reporting of Clinical Coding performance to the Health Board.</p> <p>The report serves to inform of the work being undertaken, to understand and manage risks in respect of information and to protect the interests of patients and staff.</p> | | |
