06.05.2025	Public Committee	18/25	Mental Health Act Activity Report	Follow up with the Nurse Director of Mental Health and Learning Disabilities to ensure that findings from walkarounds were effectively reported and included in the SBUHB's quality report.	Action	Logged Action	Nurse Director/Service Group Director for MH and LD		Nov-25	Quality assurance (QA) activity is reported by the divisions through their monthly submissions to the Quality & Safety (Q&S) group. At last month's Patient Safety and Compliance Group (PSCG) meeting, a paper was presented highlighting the varied QA processes being implemented across service groups. I shared details of our QA visits within MHL, which were well received as a suitable approach across the service groups. I also circulated our QA template for reference. Going forward, we are required to produce a bi-monthly report for PSCG. Loren will prepare this on our behalf, and it will be submitted to Q&S prior to being shared with PSCG.	Underway (with update)
06.02.2025	Public Committee	006/25	Mental Health Act Activity Report	Interim Service Group Director to follow up on non-rectifiable errors made by mental health consultants, specifically related to Section 5(2) paperwork not being completed.	Action	Logged Action	Interim Service Group Director for MH and LD			The August meeting recorded this as complete.	Closed
