DECISIONS MADE DURING THE IN-COMMITTEE MEETING NOVEMBER 2018

1.0 PURPOSE

To report on items considered during the in committee of the Board in November 2018.

2.0 BACKGROUND

The Board shall conduct as much of its formal business in public as possible. There may be circumstances where it would not be in the public interest to discuss a matter in public, e.g., business that relates to a confidential matter affecting an LHB officer member or a patient. In such cases the Chair (advised by the Board Secretary where appropriate) shall schedule these issues accordingly and require that any observers withdraw from the meeting. In doing so, the Board shall resolve:

"That representatives of the press and other members of the public be excluded from the remainder of this meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest"

In these circumstances, when the Board is not meeting in public session it shall operate in private session, formally reporting any decisions taken to the next meeting of the Board in public session. Wherever possible, that reporting shall take place at the end of a private session, by reconvening a Board meeting held in public session.
