I refer to your Freedom of Information Act Request acknowledged by ourselves on 9th April 2019. Your request sought information relating to permission to fly drones.

Please can you tell me within your Health Board (<http://publicapps.caa.co.uk/docs/33/20190418RptUAVcurrent.pdf>) how many women and how many men have permission for aerial work from the Civil Aviation Authority (CAA) – to fly drones (small unmanned aircraft).

We can tell you that under the Health Boards licence, all staff registered as having a licence are male. We are unable to provide you with an exact number, as due to the low numbers involved there may be a risk of identifying individuals if this was disclosed. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.
