I refer to your Freedom of Information Act Request acknowledged by ourselves on 10th April 2019. Your request sought information relating to Cancer Treatments.

Please note that since we received your request for information, from 1st April 2019 responsibility for providing healthcare services for people in the Bridgend County Borough Council area transferred from Abertawe Bro Morgannwg University Health Board to Cwm Taf Morgannwg University Health Board. In light of this change to ABMU's responsibilities, the organisation's name has changed to Swansea Bay University Health Board. Therefore this response takes into account these changes and any information relating to the Bridgend area, will now be held by Cwm Taf Morgannwg University Health Board.

However, due to the timeframe of this request we have provided the information that ABMU Health Board held which will include Bridgend data.

Your request for information is outlined below:

- 1. Within your Health Trust how many patients are currently (within the past 3 months) being treated with the following treatments for Kidney Carcinoma (Renal Cell – RCC)? If you do not treat, where do you refer these patients?**

This information is not held centrally and could only be obtained from patient notes. To obtain this information would involve a manual trawl and search of records which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.
