I refer to your Freedom of Information Act Request acknowledged by ourselves on 23rd April 2019. Your request sought information relating to orthotics clinics.

Please note that from 1st April 2019 responsibility for providing healthcare services for people in the Bridgend County Borough Council area transferred from Abertawe Bro Morgannwg University Health Board to Cwm Taf Morgannwg University Health Board. In light of this change to ABMU's responsibilities, the organisation's name has changed to Swansea Bay University Health Board.

Your questions are outlined below:

1) A list of hospitals and clinics in your health board/trust that have Orthotic departments, specifying whether they are private, NHS or both?

Swansea Bay University Health Board has a single Orthotic department that serves the population of Neath Port Talbot and Swansea areas. This includes a service level agreement to deliver Orthotist services to the population of Cwm Taf Morgannwg University Health Board following the recent boundary change. Clinics are run from Port Talbot Resource Centre, Specialist rehabilitation centre at Morryston Hospital, Princess of Wales hospital including the children's centre, Neath Port Talbot hospital, Hafon Y Mor and Heronsbridge School.

We can confirm that Orthotic services are NHS.

2) Contact details for each of these Orthotic departments.
