I refer to your Freedom of Information Act Request acknowledged by ourselves on 20th August 2019. Your request sought information relating to voriconazole intravenous injections.

Please note that from 1st April 2019 responsibility for providing healthcare services for people in the Bridgend County Borough Council area transferred from Abertawe Bro Morgannwg University Health Board to Cwm Taf Morgannwg University Health Board. In light of this change to ABMU's responsibilities, the organisation's name has changed to Swansea Bay University Health Board. However as you have asked for data prior to 1st April 2019, we have provided the information that ABMU Health Board held which will include Bridgend data.

1. The total number of individual doses of intravenous voriconazole administered to patients in the Health Board during 1st April 2018 to 31st March 2019.

Swansea Bay does not currently have an electronic prescribing system for inpatients use, therefore we are unable to provide this information on the number of individual doses administered.

2. The total number of dose units of voriconazole intravenous injection supplied for use within the Health Board from 1st April 2018 to 31st March 2019.

224 x 200mg vials of voriconazole injection were supplied within this period.
