I refer to your Freedom of Information Act Request acknowledged by ourselves on 19th July 2019. Your request sought information relating to NICE guidance.

We are looking specifically at diagnostics - NICE Guidance - DG34 - tumour profiling for breast cancer, as a recent example. We would like to understand any procurement plans you have in place as a result of this? Including dates, procurement route (open, restricted), regime (whether light touch regime, standard OJEU), likely weightings (quality vs price), or via NHS Supply Chain or other framework provider?

The Health Board does not have a specific procurement plan as a result of NICE DG34. Our practice with breast tumour profiling was well established before this guidance was published, and indeed contributed to the background data considered by NICE.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 029 2067 8400.
