I refer to your Freedom of Information Act Request acknowledged by ourselves on 24th June 2019. Your request sought information relating to back pain attendances at A&E.

Please note that from 1st April 2019 responsibility for providing healthcare services for people in the Bridgend County Borough Council area transferred from Abertawe Bro Morgannwg University Health Board to Cwm Taf Morgannwg University Health Board. In light of this change to ABMU's responsibilities, the organisation's name has changed to Swansea Bay University Health Board.

However as this response requests data prior to 1st April 2019 we have provided the information that ABMU Health Board held which will include Bridgend data.

Please can you tell me what the number is of patients attending A&E with back pain in Swansea bay (or what was ABMU) over the financial year 2018/19?

Please find below the number of patients presenting with the specific text entered on attendance of 'back pain' at our main Emergency Departments (ED) departments. ED patients are not coded, therefore this relies on a free text field. This will not include back/neck/spinal injury attendances, as the numbers if searched wider would be around 10,000 for this same period.
