I refer to your Freedom of Information Act Request acknowledged by ourselves on 28<sup>th</sup> June 2019. Your request sought information relating to oxygen equipment.

**I know from the Home Oxygen Service (HOS) providers in England, there is a monthly report delivered to the CCGs relating to Serious Incidents Requiring Investigation (SIRI), previously known as Serious Untoward incidents (SUI), and/or Serious Events of an Adverse Nature (SEAN). It is my hope that a similar report is sent to each of the LHBs in Wales. With the assumption this is the case, I am requesting the following information from these reports:**

- 1. The number of incidents/events resulting in a fatality for each year**
- 2. The number of incidents/events involving a fire for each year**
- 3. The number of incidents/events involving oxygen equipment and a fire for each year**
- 4. The number of incidents/events involving oxygen equipment, a fire and a fatality for each year**
