I refer to your Freedom of Information Act Request acknowledged by ourselves on 28th June 2019. Your request sought information relating to FOIA request our ref. 17-G-028 relating to car parking at the Morrison Hospital site.

You clarified on the 23rd May that you would like to know if the information mentioned in paragraph 3 section B of the document link <http://www.wales.nhs.uk/sitesplus/documents/863/17%2DG%2D028.pdf> is still up to date and still in effect.

The health board can confirm that the information is still correct.

However, in addition to the information included in question 3 section B, cars will now also receive a Parking Charge Notice (PCN) if they park inappropriately or overstay in a short stay car park. The rules on the issuing of a PCN have been updated slightly as the number of car parking spaces on site has increased. Spaces have been reintroduced as building projects have been completed or land is made available after demolition.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.
