I refer to your Freedom of Information Act Request acknowledged by ourselves on 12th November 2019. Your request sought information relating to prostate cancer.

1. What facilities exist within Swansea Bay Health Board (SBU) or are available to SBU patients choosing High Intensity Focused Ultrasound (HIFU) as their choice of prostate cancer treatment.

I can confirm that Swansea Bay Health Board do not offer HIFU for prostate cancer treatment.

At present and according to NICE guidance, this would only be available as part of a clinical trial. Should SBU patients request this type of treatment, then they would be referred to Wrexham Maelor Hospital (Betsi Cadwalader Health Board) who are undertaking clinical trials.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 029 2067 8400.
