I refer to your Freedom of Information Act Request acknowledged by ourselves on 17<sup>th</sup> September 2019. Your request sought information relating to Sexual Health Services.

- 1. How much was spent on sexual health services in the previous financial years? (If possible a breakdown of testing, treatment and health promotion would be appreciated, but if not overall figures).**

In Financial Year 2018/19 the overall spend on Sexual Health Services was £5,115,862. We are not able to give a breakdown of testing, treatment and health promotion as the budget is not split. The budget covers all of integrated sexual health, including Genito-Urinary medicine, contraception, psychosexual counselling, HIV and Pregnancy Advisory Services.

- 2. How much is planned to be spent on sexual health services in 2019/2020?**

The planned spend for Financial Year 2019/2020 is £5,270,713.

- 3. Are there any plans for reductions/cuts in overall spend on sexual health services in the future?**

There are no planned reductions/cuts in overall spend on Sexual Health Services in the future.
