Dear

I refer to your Freedom of Information Act Request acknowledged by ourselves on 26th August 2020. Your request sought information relating to Holter reimbursement procedures.

1. What are the reimbursement procedures for 18 hours, 24 hours and 48 hour Holter Monitoring activities for primary care and secondary care? (if it is not possible to answer the following question, please provide a direct link to the particular website where the information might be found)

You clarified on 28th August 2020 that you were looking an overall explanation of the refund process for doing 18h, 24h, 48h Holter tests in primary care and secondary care. What does it look like and what are the basis of the specific amount of money for GPs in primary care and hospitals in secondary care which is refunded after performing mentioned above tests.

Not applicable – there is no reimbursement tariff system in place for Holter Monitoring in Wales.

2. What are the average reimbursement prices for 18h, 24h and 48h Holter Monitoring in primary care and secondary care?

You clarified on 28th August 2020 that you are looking for the average amount of money which is refunded after doing 18h, 24h, 48h Holter tests in primary care and secondary care.

See question 1.
