Dear [REDACTED]

I refer to your Freedom of Information Act Request acknowledged by ourselves on 22nd December 2020. Your request sought information relating to staff sickness.

Please note that from 1st April 2019 responsibility for providing healthcare services for people in the Bridgend County Borough Council area transferred from Abertawe Bro Morgannwg University Health Board to Cwm Taf Morgannwg University Health Board. In light of this change to ABMU's responsibilities, the organisation's name has changed to Swansea Bay University Health Board. However as this response asks for data prior to 1st April 2019, we have provided the information that ABMU Health Board held which will include Bridgend data.

SBU Health Board is committed to supporting the health and wellbeing of its staff. The Board has achieved the Gold Corporate Health Standard for workplace health promotion. Among the services available are confidential counselling for staff experiencing problems affecting their day to day lives; impartial occupational health advice about work-related health issues; stress management courses; and health and wellbeing events and activities.

SBU specialists also deliver Wellbeing through Work programme. This supports working people – not just SBU employees – to remain in or return to employment when they have issues that could affect their ability to do their job.
