I refer to your Freedom of Information Act Request acknowledged by ourselves on 13th February 2020. Your request sought information relating to clinical insourcing.

Clinical insourcing is where an external provider team comes in to perform extra procedures within the health board facilities. This usually occurs during the weekend but can happen at any time.

Please note that there has been an increase in costs over the last 3 years due to the planned management of the backlog in surveillance colonoscopies, which has now reduced significantly.
