I refer to your Freedom of Information Act Request acknowledged by ourselves on 13<sup>th</sup> February 2020. Your request sought information relating to psychiatric patients.

**Between 2014 and 2019 (or up until the latest available figures) how many in patients (acute psychiatric patients) have been admitted to a unit more than 40 miles from their residential address?**

Swansea Bay Health Board does not hold this information centrally. To obtain this information, a manual calculation between the patient's home address and address of the psychiatric unit would be required, which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

I hope this information is helpful. If you require anything further please contact us at [FOIA.Requests@wales.nhs.uk](mailto:FOIA.Requests@wales.nhs.uk).

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via [FOIA.Requests@wales.nhs.uk](mailto:FOIA.Requests@wales.nhs.uk).

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office
