I refer to your Freedom of Information Act Request acknowledged by ourselves on 23rd January 2020. Your request sought information relating to clinical nurse specialists. You clarified on 23rd January 2020 that by "CNS" you are referring to the central nervous system and by "helping" you mean "working with" across our Oncology, Neurology and Neurosurgery departments.

The number of clinical nurse specialists helping brain and CNS tumour patients, who have been employed within the Swansea Bay University Health Board for each year since 2008.

Swansea Bay Health Board does not have any clinical nurse specialists working specifically with brain tumour or CNS tumour patients.

Our brain tumour and CNS tumour patients are treated by the clinical nurse specialists who work within Oncology, Neurology and Neurosurgery.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office
