I refer to your Freedom of Information Act Request acknowledged by ourselves on 31<sup>st</sup> January 2020. Your request sought information relating to forensic inpatient mental health services.

**1. How many forensic inpatient mental health beds for females are provided by the Health Board?**

10 beds

**2. How many female Swansea Bay Health Board patients are currently in NHS or independent sector low, medium and high secure forensic inpatient mental health services?**

We are unable to provide you with the exact number of patients, as if compared with numbers provided for question 1, the number of patients in services in England (Q3) would be identifiable. As this is fewer than 5, there is a potential risk of identifying individuals if this was disclosed. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test.

### **3. How many of these females are in services across the border in England?**

Less than 5. We are unable to provide you with the exact number of patients as due to the low numbers, there is a potential risk of identifying individuals if this was disclosed. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test.

### **4. How much does the Health Board spend each year on paying for females to be in out-of-area beds in forensic inpatient mental health services? If possible, could I have the spending for the most recent full financial year?**

The total spend for the recent financial year 2018/19 was £11,132.
