Dear

I refer to your Freedom of Information Act Request acknowledged by ourselves on 30<sup>th</sup> July 2020. Your request sought information relating to IT staff salary banding.

**I would be very grateful if you could provide a list of the numbers of staff in post within the IT department that occupy each of the standard Agenda for Change bands. Please note that I am only interested in the Health Board's main IT Department. Also, please note that I am specifically requesting this information for IT - not for the Information Department.**

Please note that this breakdown includes staff members from our IT department, defined as the following teams;

ICT Operations (helpdesk, onsite support, cyber security and digital infrastructure management), Training and Development (software development and support) and members of the Digital Services Management Team that are directly responsible for these teams.

The breakdown excludes:

Information, Information Governance, Data Quality, Clinical Coding, Digital Capital Projects (implementation of new national and local digital solution) and the members of the Digital Services Management Team that are directly responsible for these teams.
