Dear

I refer to your Freedom of Information Act Request acknowledged by ourselves on 2nd June 2020. I apologise for the delay in responding. Your request sought information relating to mental health.

Please provide a copy of your Health Board's business continuity plan (in place we understand before 14 April 2020) in relation to the provision of mental health services during the present COVID-19 crisis.

The Health Board would have an overarching business continuity plan and therefore not specific to COVID-19. However please find attached an operational plan for the Mental Health & Learning Disabilities Delivery Unit in relation to COVID-19 which was in operation prior to 14th April 2020. Please note that staff names have been removed from this document and withheld under section 40(2) of the Freedom of Information Act 2000. This data is classed as personal data as defined under the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This exemption is absolute and therefore there is no requirement to apply the public interest test.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain
