Dear

I refer to your Freedom of Information Act Request acknowledged by ourselves on 13th November 2020. Your request sought information relating to hip operations.

How many hip replacement/ revision operations has Mr Michael Cronin carried out since February 2020 at Morriston Hospital?

Please note that due to the way our systems record and update data, the figures for September and October may not yet be fully complete.

In the period 01.02.20 to 31.10.20 Mr Cronin has performed <5* elective hip operations (February 2020) and 20 emergency hip operations (March 2020 onwards) at Morriston Hospital.

* Where fewer than 5 has been indicated we are unable to provide you with the exact number of patients as due to the low numbers, there is a potential risk of identifying individuals if this was disclosed. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.
