I refer to your Freedom of Information Act Request acknowledged by ourselves on 15th April 2021. Your request sought information relating to our Thromboembolism Pathway.

Please can you provide the pathway for oncology patients who have developed thromboembolism? I believe this pathway is referred to as the cancer associated thromboembolism pathway (CAT). I am after where patients admit, where they are treated and with what medication plus what if any follow ups are in place.

Please find attached the SBUHB CAT clinical guidelines.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 029 2067 8400.

Yours sincerely
