I refer to your Freedom of Information Act Request acknowledged by ourselves on 15th April 2021. Your request sought information relating to HPV Vaccination.

Please provide the information and/or plans drawn up by the Health Board to provide eligible young people from the 2019/2020 and 2020/2021 academic school years with their first dose of the HPV vaccine as recommended by JCVI guidance dated the 16th July 2020.

All eligible Year 8 pupils from the 2019/2020 academic school year cohort in Swansea and Neath Port Talbot were offered their first dose of the Human Papilloma Virus (HPV) vaccine, as recommended by the JCVI. Please refer to Section 1 & 2 of the attached Appendix for their completed dates.

During 2021, all eligible Year 8 pupils from the 2020/2021 academic school year cohort in Swansea and Neath Port Talbot were unable to receive their first dose of the Human Papilloma Virus (HPV) vaccine that was scheduled to take place in January/February 2021. This was due to the school closures during the Coronavirus lockdown and re-deployment of the school nursing service. Following the re-opening of the schools in March 2021 and the resuming of the school immunisation programme, all schools have now been provided with new dates to catch up their cohort. This is scheduled to take place between March 2021 and May 2021. Please refer to Section 3 & 4 of the Appendix for these dates.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.
