I refer to your Freedom of Information Act Request acknowledged by ourselves on 19th April 2021. Your request sought information relating to health board expenditure.

How much has been spent and the number of patients seen via Insourcing, Outsourcing and the Hospitals own Waiting List initiatives in the last 3 years? In the most recent FY in the 12 months ending March 2021.

Outsourcing

During 2020/21 SBUHB was able to access some capacity in independent providers commissioned on an All Wales basis, but no treatments were directly outsourced by the organisation during this period.

Waiting List Initiatives

SBUHB does not routinely categorise activity undertaken through Waiting List Initiatives. It would not be possible to retrospectively identify this activity and accurately calculate the cost of delivering it.

Please find attached the completed table.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.
