I refer to your Freedom of Information Act Request acknowledged by ourselves on 29th April 2021. Your request sought information relating to agency shift payments.

Please note that the Health Board is carrying out significant work around recruitment generally and has a dedicated area on its website for recruitment: <https://sbuhb.nhs.wales/jobs/jobs-and-volunteering>. Within this area of the website the Health Board has details of vacancies, up-coming recruitment days, contact information and short videos (developed in-house) advertising the benefits of working for SBU and interviews with staff. As well as emphasising the career and learning opportunities offered by being part of such a large NHS organisation, we actively promote the great work-life balance that living in Swansea and South West Wales offers, including affordable housing, our beaches, countryside, etc.

Please note, we do everything possible to cover rotas with Swansea Bay staff and bank staff. It is only after exhausting these options, do we look to agencies for cover.

1. Between 1 st April 2020 and 31 st March 2021, how many times (number of shifts) did the Health Board pay more than £70 per hour (all-inclusive charge rate) for a band 5 agency nurse?	443 shifts
2. In the same time period, which agency / agencies have supplied band 5 nurses at £70 or above?	Thornbury
3. In each whole week since Monday 5 th March 2021, how many agency nurse shifts were supplied off-framework and of these, how many were charged at £70 per hour or more?	4
