I refer to your Freedom of Information Act Request acknowledged by ourselves on 10th August 2021. Your request sought information relating to COVID vaccinations.

Please provide figures and information for the time period starting from when the UK vaccine-roll out began in December 2020 - Present.

1. The total number of single Covid-19 vaccine doses administered by all Swansea Bay Health Board each month, broken down by manufacturer, e.g. AstraZeneca, Pfizer and Moderna.

Please see attachment for break down.

2. The total number of single vaccine doses that have been wasted or discarded at vaccine hubs controlled by Swansea Bay Health Board each month, broken down by manufacturer, e.g. AstraZeneca, Pfizer and Moderna.

Please see attachment for break down.

3. Please state the reasons for this wastage or discarding, e.g. dropped or contaminated vials; human error in the preparation process; expired stock; leftover doses; and faulty syringes.

I can confirm that this information is not held centrally. Due to the way our systems record this information (free type as opposed to set categorisation) to obtain this information would involve a manual trawl and search of records which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act and The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004
