I refer to your Freedom of Information Act Request acknowledged by ourselves on 20th August 2021. Your request sought information relating to long term care and supported living.

- A list of every provider which serves adults funded by you and has over 5 adults under care in supported living placements. For each of these providers, please enter the number of adults as at the 31st March 2021 placed within a supported living placement. Please repeat this for an equivalent week in 2019 and 2020, and if possible please provide a total number of adults placed across all providers (please fill in the table below).**

You clarified on 3rd September 2021 that you are seeking information on supported living placements providers as a whole who have over 5 adults and over (across all their supported living schemes)

You clarified on 3rd September 2021 that you would define long term care as care that is provided by SBUHB which has no fixed time period. It includes homecare, residential and nursing care, supported living etc.

You clarified on 3rd September 2021 that you are interested in the cost to the Health Board of people within each setting (but not considering costs of housing) – not the cost to the Local Authority/adult social care.

To obtain this information would involve a manual trawl of each individual's costing to manually exclude the housing element which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act and The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

4. The proportion of adults that you fund in supported living placements, that are also joint funded by a local authority (between 1st April and 31st March for 2018/19, 2019/20, 2020/21) (please fill in the table below).

** We do not hold the information for 2018/19 as our database was not introduced until 2019/20.

* Where fewer than 5 has been indicated we are unable to provide you with the exact number of individuals as due to the low numbers, there is a potential risk of identifying individuals if this was disclosed. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 029 2067 8400.
