Dear ██████████

I refer to your further queries received by us on 14th March 2021, regarding our response to your reopened Freedom of Information Act Request sent to you on 12th March 2021. Your queries related to the post of Clinical Nursing Informatics Officer.

We informed you in that response that the post was originally advertised under the title of "Corporate Nurse Senior Lead Informatics" and that the applicants were shortlisted shortly after the closing date, then the post was put temporarily on hold.

You asked us;

Was the current post holder an original candidate and if so, how many were interviewed?

I can confirm that the current post holder was one of the original candidates shortlisted before the post was put on hold.

Three individuals were interviewed for the post on 4th December 2020.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office
