Dear ██████████

I refer to your Freedom of Information Act Request acknowledged by ourselves on 1<sup>st</sup> March 2021. Your request sought information relating to imaging services waiting times.

**1. Please can provide me with a breakdown of age groups for all Imaging Services waiting times in 2019 and 2020.**

I can confirm that this information is not held centrally. Patient ages are not held in our waiting list data for imaging services. To obtain this information would involve a manual trawl and search of individual records of patients on the waiting list which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.

**2. What percentage of these patients are over 60?**

Please see question 1.

I hope this information is helpful. If you require anything further please contact us at [FOIA.Requests@wales.nhs.uk](mailto:FOIA.Requests@wales.nhs.uk).

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain
