Dear ,

I refer to your Freedom of Information Act Request acknowledged by ourselves on 12th January 2021. Your request sought information relating to deaths from COVID-19.

Can you confirm how many deaths as a direct result of covid-19 have occurred since 1st March 2020 until January 8th 2021?

I can confirm that Swansea Bay University Health Board does not hold this information.

The Office for National Statistics (ONS) provide us with data relating to COVID deaths where COVID-19 is mentioned anywhere on the death certificate, including as a contributing factor. We are not able to split this data further in order to exclude contributing factors to death to provide the number of deaths as a direct result of COVID-19 only, therefore we recommend that you contact the ONS, who may be able to provide this breakdown for you on foi.team@ons.gov.uk.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.
