Dear ██████████

I refer to your Freedom of Information Act Request acknowledged by ourselves on 12th January 2021. Your request sought information relating to fertility policies.

I would be grateful if you could send me your fertility preservation policy for patients with cancer please.

I can confirm that the Health Board does not have a fertility preservation policy. However the Health Board would follow the CP38 Specialist Services Commissioning Policy for Specialist Fertility Services as set out by the Welsh Health Specialised Services Committee (WHSSC) for those potential Swansea Bay Health Board patients considered suitable for fertility preservation. Please refer to the WHSSC website for this information: www.whssc.nhs.wales or alternatively contact the Freedom of Information team at WHSSC on WHSSC.GeneralEnquiries@wales.nhs.uk

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.

Under the terms of the Health Board's Freedom of Information policy, individuals seeking access to recorded information held by the Health Board are entitled to request internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request please contact me directly at the address below or register your complaint via FOIA.Requests@wales.nhs.uk.

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office
