[REDACTED],

I refer to your Freedom of Information Act Request acknowledged by ourselves on 21st June 2021. Your request sought information relating to Harbourside Health Centre.

How much the NHS are paying for the use of the Harbourside Health Centre on the SA1 to use it as a vaccination centre?

I can confirm that Swansea Bay Health Board is not using the Harbourside Health Centre in SA1 as a single use vaccination centre.

However, as part of the COVID-19 vaccination roll out, the Health Board has commissioned GP practices within the Swansea Bay area to administer first and second dose vaccines for the over 80's and clinically vulnerable patients. The GPs involved are either using their own practices to administer the vaccine or they sourced alternative venues .

There is a national agreement in place for all Primary Care contractors to receive a £12 payment per patient for both doses.

The number of patients vaccinated by Harbourside Health Centre is not held by the Health Board, therefore we are unable to provide you with the total monies paid in relation to vaccinations. However, if you contact Harbourside Health Centre directly, they may be able to assist you with this.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.
