I refer to your Freedom of Information Act Request acknowledged by ourselves on 21st June 2021. Your request sought information relating to prisoner vaccinations.

Please note that the prisoner records system does not record prisoner ethnicity groups or vaccination cohorts alongside vaccination status.

You may note that the vaccination numbers differ between tables 1 and 3. This is due to some prisoners having received their first dose in the community prior to their custodial sentence, therefore the month that this was received may not be recorded on the prison's systems. HMP Swansea is a remand prison, therefore the prison population can "cycle" or "turn over" quicker than in other prisons. Please bear this in mind when reviewing the figures.

Please find attached your completed data return.

Where fewer than 5 (<5) has been indicated in the attachment we are unable to provide you with the exact number of individuals as due to the low numbers, there is a potential risk of identifying individuals if this was disclosed. We are therefore withholding this detail under Section 40(2) of the Freedom of Information Act 2000. This information is protected by the General Data Protection Regulation (GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute as unfair and unlawful processing in regard to Articles 5, 6, and 9 of GDPR. This exemption is absolute and therefore there is no requirement to apply the public interest test. We have also removed some of the total numbers, as if used in conjunction with other information, it would be possible to identify the withheld number of individuals.
