I refer to your Freedom of Information Act Request acknowledged by ourselves on 1st July 2021. Your request sought information relating to hospital manager hearings.

I am writing to request that you provide me with any policy documents or related materials concerning the organisation and running of Associate Hospital Managers Hearings under s.23 of the Mental Health Act 1983 which have been adjusted or created during the course of the on-going Covid-19 pandemic.

This might include, for example, policy changes on moves to remote hearings and in relation to so-called 'paper' hearings, and policies on facilitating the engagement of patients, Nearest Relatives and others with remote modes of conducting hearings.

I can confirm that Swansea Bay Health Board does not have a policy regarding the operation of Associate Hospital Managers Hearings during the Covid-19 pandemic.

However, please find attached guidance that was circulated by Welsh Government in April 2020 relating to Hospital Manager's discharge powers during the pandemic. This guidance was used to inform our approach, moving from face to face to virtual hearings, following a brief period of suspension.

Please also find attached a case study document prepared to inform Independent Hospital Managers and the Health Boards Legislative Committee about the changes to practice during the pandemic.

I hope this information is helpful. If you require anything further please contact us at FOIA.Requests@wales.nhs.uk.
