The map displays the British Isles with a focus on Wales and the surrounding regions. A heat map overlay is centered on Cardiff, Wales, with a color gradient ranging from red (highest intensity) to green (lowest intensity). The map includes labels for various cities and towns, such as London, Manchester, Dublin, and Cardiff. The Irish Sea is labeled to the west of Wales, and the Bristol Channel is labeled to the south. A legend in the bottom right corner provides a color scale for the heat map overlay, with red indicating the highest intensity and green indicating the lowest intensity.
