You asked:

Will Swansea Bay University Health Board be considering the replacement of any patient trolleys in the current financial year (2022-2023), and if yes, for which hospitals and departments please? To clarify, I am referring to ED/resus/trauma trolleys, endoscopy trolleys, theatre/recovery trolleys, patient transfer trolleys, and short stay ward trolleys.

I can confirm that SBUHB do not have any plans for replacement of patient trolleys in FY 2022/23.
