You asked:

We are looking for some accurate statistics of coil (both copper & hormonal) waiting times within health boards around the UK.

If you could please share any accurate data on your coil waiting times with us, that would be very much so appreciated.

Our response:

Please note that from 1st April 2019 responsibility for providing healthcare services for people in the Bridgend County Borough Council area transferred from Abertawe Bro Morgannwg University Health Board to Cwm Taf Morgannwg University Health Board. In light of this change to ABMU's responsibilities, the organisation's name has changed to Swansea Bay University Health Board. However, Swansea Bay Health Board still cover the Bridgend area for this under a Service Level Agreement

This information relates to patients waiting for insertion of a coil for contraceptive purposes rather than other Gynaecological issues. Waiting times vary dependent on location as below;

Bridgend – Coil clinic runs once per week. Current waiting time is 2 weeks.

Neath Port Talbot – no specific Coil clinic. Current waiting time is 1 week.

Swansea – Coil clinic runs 4 times per week due to high demand. Current waiting time is less than a week.

Emergency Coil insertions have no waiting time.

As well as routine Coil clinics, the Health Board offer a specialist clinic for specific
