Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 22-J-004**

You asked:

Please can you supply me with all risk register items surrounding Child and Adolescent Mental Health Services (CAMHS).

For the sake of clarity this the risk register is usually held on the 'DATIX' system. I am aware that CAMHS is commissioned from Cym Taf and I will be submitting a similar request to them; however, I would still assume that some risks will be on the SBU risk register.

I can confirm that the information you are seeking is held on our website. Under Section 21 of the Freedom of Information Act (information accessible by other means), we are not required to provide information in response to a request if the information is already reasonably accessible to you. May I therefore recommend that you look at this link to our website to obtain the information you require, details of our risks are in our Health Board papers: <https://sbuhb.nhs.wales/about-us/key-documents-folder/board-papers/board-papers-july-2022/23-health-board-risk-registerpdf>. Reference Numbers 48 and 69 are relevant to CAMHS.

Please note, that the next update of this corporate risk register will be submitted to Health Board in November 2022.
