Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 22-J-034**

You asked:

- 1. Please can you provide the product names with start and finish dates of all your agreed primary care rebates and please distinguish which rebates are aligned to PrescQIPP and which are independent.**

Please can you provide this information at Health Board level

All primary care rebates within SBU (and NHS Wales) are independent of PrescQIPP. Please see attached appendix.

- 2. Please can you advise if any of your agreed rebates are conditional on achieving increased volumes/ market shares?**

In-line with the Good Practice Principles in the All Wales Pharmaceutical Rebate Scheme Policy, rebate schemes are not directly linked to requirements to increase market share of volume of prescribing

- 3. I would also like to request the process of how you review and evaluate the rebates presented to you.**

This is part of an all Wales process. Primary Care rebate schemes are managed centrally by the All Wales Medicines Procurement Specialist Pharmacist, a Primary Care Service provided by NHS Wales Shared Services Partnership (NWSSP). We would therefore recommend that if you require further information, you redirect your request to the Freedom of Information Team in NWSSP, who may be able to help you further with your enquiry:- shared.services@wales.nhs.uk

- 4. Please can you also provide a copy of your Health Board primary care rebate policy.**
