Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 22-I-022**

You asked:

1. Please can you provide me a list of Hospitals and addresses within your area?

I can confirm that the information you are seeking is held on our website. Under Section 21 of the Freedom of Information Act (information accessible by other means), we are not required to provide information in response to a request if the information is already reasonably accessible to you. May I therefore recommend that you look at this link to our website to obtain the information you require: [Our Hospitals - Swansea Bay University Health Board \(nhs.wales\)](https://www.nhs.uk/healthcare/our-hospitals)

2. Hard FM - (Electrical, mechanical, plumbing maintenance)

2a Who is the current provider of Hard Facilities Management across your estate? Or perhaps this is managed by an in-house team?

Swansea Bay Health Board uses an in-house team for all hospital sites except Neath Port Talbot Hospital. Neath Port Hospital is a Private Finance Initiative (PFI) contract and as part of this contract, Veolia manage the FM Services at this hospital:
<https://www.veolia.co.uk/case-studies/neath-port-talbot-hospital>

2b If an outsourced provider, when was this contract awarded and what length is the contract? Is an extension available?

The PFI contract expires in 2030

2c If an outsourced provider, when do you expect this contract to come back out to tender?

When the PFI contract expires in 2030 the plan is for services to be managed by an in-house team.

2d If managed in-house, is there an incumbent supplier supplying electrical products? If so, when does this contract expire?

Procurement of goods is managed through the Welsh Health Procurement Services: <https://nwssp.nhs.wales/ourservices/procurement-services/>. There are a range of national contracts and frameworks for different electrical items.
