Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 23-D-014**

We responded to your initial request on 9th May 2023 relating to workforce systems and job planning.

We stated in our response that the annual cost for the Health Board's medics job planning in the last FY was £17,142 and that the system was procured on a national basis.

You further queried;

1. You stated that the cost in the last FY for medics job planning was £17,142 which seems highly unlikely given the size of the Health Board.

Could it be that you are referring to junior doctor's rotas

2. Secondly you stated the contractual end date was not available as the system was procured nationally, however the only nationally procured system is also junior doctors rota building software that I am aware of medics job planning is very much an individual Health Board choice

Could this response also be confused with junior doctor rotas

Our response;

On review of our initial response, we have identified some errors with the information provided. As you have pointed out, the information we provided related to Junior Doctor rotas. Please find below the correct updated information relating to Medics job planning;
