Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 23-D-038**

You asked:

Please provide details of the type (manufacturer and model), quantity, department, site where they are located and age of all Point of care or Near patient in-vitro diagnostic analysers, including tests currently performed, which are listed on your Health Board's asset register (or equivalent).

Our response:

Please note that the asset does not always belong to the Health Board. For example, glucose meters are supplied as part of a contract and are constantly replaced as part of this contract.

Please find attached a list of tests and devices stating whether they were a capital purchase or not, along with a list of the analysers currently placed within the Health Board.
