Cais Rhyddid Gwybodaeth / Freedom of Information request **Ein Cyf / Our Ref: 23-A-007**

You asked:

Would it be possible to be granted access to the current clinical guidelines/policies on the management of violence and aggression and use of restraint for Swansea Bay University Health Board?

Our response:

Please find attached the Violence and Aggression policy for SBUHB. Please note that this policy is currently under review, but remains operationally in use until the formal review has taken place in the next few months.

I can confirm that SBU Health Board does hold a Reducing Restrictive Practices policy but this is currently in draft format and as a result I am unable to comply with your request. This is in line with Section 22 of the Freedom of Information Act which states that information is exempt if it is intended that the information held by the public authority will be published at a future date. I can however inform you that this draft document will be available in approximately 6 months time.
