## **Cais Rhyddid Gwybodaeth / Freedom of Information request** **Ein Cyf / Our Ref: 23-A-030**

### **You asked:**

I am looking to find out what the cancer diagnosis rates are for the Neath Port Talbot area.

I would be grateful if you could provide me with year on year data for the last five years

### **Our response:**

I can confirm that this information is not held centrally by residence area of patients. To obtain this information would involve a manual trawl and search of records which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act and The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time

However, I can confirm that this information is published for the period 2002 to 2019 on the Public Health Wales website. You can find this here - <https://phw.nhs.wales/services-and-teams/welsh-cancer-intelligence-and-surveillance-unit-wcis/cancer-incidence-in-wales-2002-2019/cancer-incidence-data-tables-2002-2019/> under tab "Table 1 – Geographical Analysis" and selecting "Neath Port Talbot" from the drop down "Geography" box.
