Our response:

I can confirm that Swansea Bay Health Board do not hold this information in accessible centralised location.

To obtain this information would involve a manual trawl, cross referencing and collating of data across several systems and services which we have estimated would significantly exceed the 18 hours limit set down by the FOI Act as the reasonable limit. Section 12 of the FOI Act and The Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulation 2004 provides that we are not obliged to spend in excess of 18 hours in any sixty day period locating, retrieving and identifying information in order to deal with a request for information and therefore we are withholding this information at this time.
