You asked:

1. How many dental contracts have been handed back to the health board in 2022-2023?

None

2. How many notifications has the health board received about the intention of a practice to hand back their contract or reduce their NHS obligations in 2022-2023?

In 2022-23 there were no SBU practices who either stopped providing or reduced their provision of NHS general dental services.

During 2022-23, one GDS practice informed the Health Board of their intention to cease NHS provision in 2023-24. A further GDS practice agreed with the Health Board to reduce their NHS contract value from 2023-24.

3. How many practicing GDPs are there in the local health board area?

There are currently 52 dental practices in the Swansea Bay University Health Board area who provide NHS general dental services. The Health Board does not hold information relating to the number of practising GDPs.

4. What is the FTE of the number of GDPs practicing in the area?

This information is not held.
