Our response:

I can confirm that the Health Board has a record of two invited service reviews within the period requested. In 2019 the Royal College of Physicians were invited to advise on the clinical management of 32 patients who had been listed, or considered, for a cardiology Transcatheter Aortic Valve Implantation (TAVI) procedure. In 2021 the Royal College of Surgeons were invited to advise on the cardiac surgery pathway in Swansea Bay UHB.

The Health Board has been open and transparent in respect of both reviews and has made available to the public a clear summary of the reviews that has taken place, the actions taken by the Health Board to address the issues identified by the reviews and the recommendations applicable to them.
